Form #84

DISMANTLING OF ELECTRIC SERVICE

Agreement made in duplicate this
_____ day of _____

Between _____ of _____ Alberta,
(member)

AND

Battle River Power Coop of
Box 1420, Camrose, Alberta, T4V 1X3

WHEREAS _____ a member of the Battle River Power Coop wishes
to have the Board of Directors of the Battle River Power Coop authorize the dismantling and
salvage of the power installation owned by the rural electrification association, and situated on the
_____ 1/4 Section _____ Township _____ Range, _____ West, 4 M.

It is further agreed that upon execution of this agreement, the membership of
_____, the contract holder, is hereby cancelled,
and that he/she has no further claim upon the rural electrification association.

It is further agreed that the Association shall have and it is hereby granted, an
easement for right-of-way for erecting, maintaining and removing its distribution
system and the line extensions, including the right to carry out the necessary
trimming and cutting of trees and brush, on and over such part of the said lands
as may be necessary to complete the connection or branch from such extension
as the Association for its reasonable convenience, requires to enable it to serve
other consumers.

In the event that _____, his/her successors, heirs,
or assigns wish to re-establish electrical service on the _____ 1/4 Section, _____
Township, _____ Range, _____ West, 4 M., through a contract with the rural
electrification such application shall be considered as a new application for
service and shall be dealt with, without regard for the original contract, which is
herby cancelled.

IN WITNESS WHEREOF the parties hereto have hereunto fixed their seal under the hands of the
proper officers in that behalf the day and year first above written.
